Hourly Rate - \$18.00

The Fredericksburg Fire EMS Department is a dedicated and committed organization serving our customers through the core values of Customer Service, Leadership, Integrity, and Community. The Fire EMS Department mission is to serve and provide the community with the highest quality of customer service. The department responds to motor vehicle accidents, swift water rescues, Enchanted Rock rescues, wildland fires, structure fires, EMS calls and transfers. They stand ready to help anyone who calls day, night, holidays, or weekends. Fredericksburg Firefighters, Emergency Medical Technicians (EMT) and Paramedics take pride and ownership in the community and spend countless hours training, responding to calls, and promoting emergency services safety. We serve with a sense of warmth, pride, friendliness, and passion for the community.
